Notice of Public Posting and Solicitation of Public Comments Wilkinson Terrace Apartments Section 18 Demolition/Disposition Application

The purpose of this notice is to inform the HACS residents and the general public of their right to review and provide comment to the draft application for Section 18 Demolition and Disposition for the Wilkinson Terrace Apartments public housing site.

HACS is in the process of contemplating the submission of a Section 18 Demolition and Disposition application for the Wilkinson Terrace Apartments public housing site to the U.S. Department of Housing and Urban Development's (HUD) Special Application Center (SAC), as permitted under 24 CFR 970. This process has been prompted by recent physical needs assessments which have found that the rehabilitation cost for the site's aging systems and structures exceeds HUD's physical obsolescence threshold.

As part of this exercise, HACS has met with site residents and has begun preparing a draft application for public review and comment. This draft can be provided to residents or members of the general public, upon request, at the housing authority's main office located at 2500 Line Avenue, Shreveport, LA 71104. HACS will accept written comments on this draft as well as general comments regarding the proposed activity **until Friday, September 1st, 2017**. HACS will provide a response to all submitted comments, which will be posted on the agency's website and submitted to HUD with the application package.

Please feel free to contact HACS with any questions or concerns or for additional information regarding this application; 318.698.3610.
